FIKA'S DUCK CONFIT

## abundance of fresh flavours...

FIKA (PRONOUNCED FEE-KA) IS AN IMPORTANT SWEDISH CUSTOM. IT'S A SPECIAL TIME THAT IS SET ASIDE FOR A RELAXED GATHERING WITH FRIENDS OVER A CUP OF COFFEE OR TEA AND A FEW NIBBLES.

SKA VI TA EN FIKA NU?

As the long days of the Swedish summer unfold, the season brings an abundance of fresh flavours inspired by the country's forests, coastlines, and cherished culinary traditions. Summer dining celebrates both the bounty of the sea and the comforting classics that gather people around the table.

Our Shrimp & Pickled Figs Salad combines lightly seasoned shrimp, crisp greens, refreshing cucumber, and house-pickled figs for a bright balance of sweet and savoury flavours. A Swedish favourite, Wallenbergare features tender veal patties served with green pea potato purée, lingonberry jam, and nutty brown butter.

From the sea, our Fisherman's Pie showcases salmon, crayfish, squid, and prawns beneath a creamy layer of mashed potatoes and golden pastry. For a heartier offering, Fika's Duck Confit is served with braised purple cabbage, roasted potatoes, and lingonberry mustard sauce.

To complete the experience, enjoy our Zesty-Hibiscus Lime Cooler, a refreshing blend of floral hibiscus and vibrant lime.

Välkommen!
